

WISDOM CIRCLES AT IMMANUEL BAPTIST

A Course In Miracles Study Group

For those interested in beginning or strengthening their own personal study and practice of A Course In Miracles.

Facilitated by Patti Fields

A Course In Miracles (ACIM) is designed to lead us to experience peace and joy. This can be realized when we engage in a *study* of its principles and a *practice* of its lessons. A study group is a way for students to join together to find support in their practice, to get clarity on its teachings and to gain insight on what we need to let go of to heal. This is the intention we set for our group and I hope you will find it helpful in your walk to peace.

During our time together...

- We will read the text and expand on topics presented in order to deepen our understanding of ACIM.
- We will encourage and support each other in our application of Course teachings.

The group will meet....

- Every Tuesday evening
