

Miracle Sundays

Every moment is an opportunity to experience pure Love. Whatever we see or experience that is not pure love is simply a misguided thought that has cast a shadow over what is there. To be aware of pure love is the miracle.

The only preparation to receive a miracle is to let go of what is interfering with the experience of pure love.

“An empty space that is not seen as filled becomes a silent invitation to the truth to enter and to make itself at home. For what you leave as vacant God will fill, and where He is there must the truth abide.” T.27.III.4)

Miracle Sundays are devoted to increasing our desire for holiness, decreasing our desire for judgment and loosening the fear thoughts that blocks the awareness of love’s presence.
