

## Thanksgiving Prayer

Thank you Father, for the blessing of your endless love, that flows *thru* and is *in* all that we see. Everything we look at, including each other, blesses us, because it holds within it the remembrance of Your Love and our shared holiness. We are grateful for the inner gifts of peace, joy and love that come with this remembrance.

We are grateful for Your Gift of the Holy Spirit, Who keeps the memory of the Light that we are forever in our minds and reminds us of Your limitless love and the immense way you care for us.

We are grateful that You Created us in Love and as One and all that You Create is forever changeless. Therefore we can never be apart from one another or from You.

On this day of giving thanks we are filled with gratitude for all the gifts that You freely give. We accept and receive these gifts, remembering they belong to everyone and are everyone's right because you are the Father and we are your Sons.

We pause for a moment to experience the joy and peace that come on the wings of these words- to let them take their place within our hearts and feel the oneness with all that is.

We end this prayer of Thanksgiving - sealing it in trust, in faith and as truth; and confirming it with our whole being - by saying: "Amen".

## How to say thank you for a blessing:

"Thank you God for the blessing of Your endless love that shines on the world and is showing up in this way. You are meeting my perceived need through this form, but the true gift is the remembrance of Your Love and my relationship to You. My mind opens to receive the gifts of this relationship which are peace, joy and love. These gifts belong to everyone and are available to everyone at any time so I accept these gifts on behalf of all my brothers who are one with me. "
